

MEMORANDUM OF UNDERSTANDING OR AGREEMENT

FOR SUPPORTING THE ESTABLISHMENT OF ECONOMICALLY-ROBUST
(TWINNING, SISTER CITY OR FRIENDSHIP) RELATIONSHIPS BETWEEN
LOCAL GOVERNMENTS IN

(City/Municipality in British Columbia, Canada)

AND

(City/Municipality in either: China, India, South Korea, or Japan)

On the ____ Day of _____, _____

WHEREAS the (City/Municipality in British Columbia) and the City/Municipality in either: China, India, South Korea, or Japan) established a sister-city relationship effective (date), based on the similarities that both cities are known for: _____, _____, _____, (list similarities, such as: training and education, sports, technology, tourism), and

WHEREAS on the basis of equality and mutual benefit, the (Cities' names) twinning relationship has been continuously strengthened by friendly cultural, learning, and student educational exchanges, and

WHEREAS friendly relationships between twin cities have the potential to "open doors" to successful and long lasting business relationships between companies in the communities, which can in turn provide mutual benefits to twinned communities, and

WHEREAS the cultural and educational twinning exchanges between (City/Municipality in British Columbia, Canada) and (City/Municipality in either: China, India, South Korea, or Japan) have laid the foundation for more economically robust activities,

NOW IT IS AGREED that the (City/Municipality in British Columbia, Canada) and the (City/Municipality in either: China, India, South Korea, or Japan) further enhance their twinning relationship by agreeing to encourage economically-robust relations between local business enterprises in the two cities. The cities may engage in the following areas of cooperation:

- To strengthen the exchanges and cooperation of the business sector in all economic areas, particularly (list key sectors)
- To encourage exchanges of members of the business community and of associations representing the business community.

Written in duplicate in the English and (other) languages, both texts being equally authentic.
